GREAT SCOTT'S

A train that has recently pulled out of Albuquerque, N. M., is drawn by the largest and most powerful engine in the world. It was made in the Santa Fe shops at Topeka. This engine weighs 850,000 pounds, while the average steam engine weighs only about 13,000 pounds. It has 20 drive wheels, two truck and two trailer wheels. The tanks carries 12,000 gallons of water and 4,000 gallons of fuel oil. The train is on its way to Texas now, and is creating as great an excitement as the President's train itself. Thousands gather along the track from miles around to see it pass. This monster engine will be used in the mountainous country where great pulling is required.

The outbreak of war between Italy and Turkey brings to us memories of olden times, and it is feared that it will be a hard war. Some news papers say that it is possible that it will end up in a

struggle of all Europe. Let us hope not, for as it is, how many brave men shall leave their homes, wives children and mothers, never to return! How many beautiful homes, cities, ships and railroads, shall be destroyed and made desolate? How many brave little Italian soldiers shall melt away in the face of mighty guns! Yea will there be more gained than there will be lost? May the old U. S. and its wise men be able to prevent war on our beloved country, with all of its privileges, enjoyments and liberties, that are as dear to us, as life itself.

We are glad indeed to see the different writeups of R. F. Love in the papers of Eddy Co. and may prejudice be out of business Sat.

"Cardui Cured"

For nearly ten years, at different times, of Treadway, Tenn., suffered with rheumatism. Says: "At last, I took down and thought I could not sleep. I couldn't eat. I had no energy. Doctors gave me up. I read that Cardui was good for many, and I began to take it, and it cured me. It saved my life! Now, I can do anything."

TAKE CARDUI The Woman's Tonic

If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache, backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's tonic. Prepared from perfectly harmless, vegetable ingredients, Cardui is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardui.
